

Jonathan Chan
Principal Consultant, Enterprise Group Solutions
People Corporation

Jonathan specializes in strategic management, harmonization and implementation of total rewards strategies. With just over 15 years of experience in the industry, Jonathan brings a wealth of knowledge to strategic plan design and cost sustainability.

Jonathan applies his critical and methodical analysis to his clients' unique needs, leveraging historical data and emerging trends to keep them well-informed. He takes the time to ensure he has a clear understanding of their initiatives and objectives, working with full transparency and consistent communication. Jonathan's proactive, strategic and valuable advice not only meets, but exceeds client expectations. As benefits continue to evolve, Jonathan's consulting approach enables plan sponsors to achieve their strategic goals while applying best practices in risk management and cost sustainability.

Jonathan has earned his Fellow of the Society of Actuaries (FSA) and Fellow of the Canadian Institute of Actuaries (FCIA) designations and holds his certificate of completion for the Life License Qualification Program (LLQP).
